### Job Summary

As an Enrolled Nurse Auxiliary at Hoedspruit Private Hospital, you will provide valuable support to the nursing team in delivering basic patient care and maintaining a safe and hygienic environment. Your role will involve assisting with activities of daily living, ensuring patient comfort, and supporting the overall functioning of the nursing unit.

### Requirements

- Enrolled Nurse Auxiliary qualification or currently enrolled in a recognized training program.
- Registration with SANC.
- Good communication skills.
- Ability to work well within a team.
- Compassionate and patient-centred approach.
- Willingness to learn and follow instructions.
- Commitment to maintaining patient confidentiality and privacy.
- Basic understanding of healthcare practices and procedures.

### Qualifications

- Certificate in Enrolled Nursing Auxiliary from a recognized institution, or currently enrolled in an accredited training program.

### Experience

- No prior experience required, but any relevant experience in a healthcare setting is advantageous.

### **Responsibilities**

- Assist with the activities of daily living for patients, including bathing, dressing, feeding, and toileting.
- Support patients' mobility and assist with transfers as required.
- Ensure patients' comfort and safety at all times.
- Assist with the positioning and turning of patients to prevent pressure ulcers.
- Escort patients to and from various hospital departments for tests, treatments, and procedures.
- Perform basic nursing procedures under the supervision of Registered Nurses or Enrolled Nurses, such as measuring vital signs and recording intake and output.
- Maintain cleanliness and tidiness in patient care areas, including changing bed linens, cleaning bedpans, and organizing patient belongings.
- Collect and deliver specimens to the laboratory as directed.
- Provide emotional support and companionship to patients, engaging in conversation and listening to their concerns.
- Assist with the stocking and replenishment of supplies and equipment in patient care areas.
- Document patient care activities and observations accurately and promptly.
- Attend training sessions and educational programs to enhance knowledge and skills.
