

VACANCY

Job Title	Enrolled Nurse
Division	Hospital
Location	Hoedspruit Private Hospital
Reporting Structure	Unit Manager

Job Summary

As an Enrolled Nurse at Hoedspruit Private Hospital, you will work under the supervision of Registered Nurses and other healthcare professionals to deliver compassionate and competent nursing care to patients. Your responsibilities will include assisting with patient assessments, providing basic nursing care, administering medications, and supporting patients in their recovery journey.

Requirements

- Valid Enrolled Nurse qualification and licensed with SANC.
- Strong communication and interpersonal skills.
- Ability to work effectively in a fast-paced healthcare environment.
- Compassionate and empathetic approach towards patient care.
- Basic organizational and time management abilities.
- Capacity to follow instructions and work as part of a team.
- Commitment to upholding patient confidentiality and privacy.
- Willingness to learn and develop nursing skills.

Qualifications

- Diploma in Nursing (Enrolled Nurse) from a recognized institution.

Experience

- Previous experience as an Enrolled Nurse in a healthcare setting is preferred but not mandatory.

Responsibilities

- Assist Registered Nurses in conducting patient assessments, including vital signs monitoring and health status evaluation.
- Provide basic nursing care to patients, such as bathing, dressing, and feeding, in accordance with care plans and protocols.
- Administer medications and treatments under the direction and supervision of Registered Nurses or physicians, ensuring accurate dosage and timely administration.
- Monitor patients' condition and report any changes or concerns to the healthcare team promptly.
- Assist patients with mobility, transfers, and other activities of daily living as needed.
- Maintain cleanliness and hygiene in patient care areas, including bed spaces and equipment, to prevent infections and ensure patient comfort.
- Document all nursing interventions, observations, and patient responses accurately and comprehensively in the patient record.
- Provide emotional support and reassurance to patients and their families, addressing their questions and concerns with empathy and professionalism.
- Participate in educational and training activities to enhance nursing knowledge and skills.
- Adhere to hospital policies, procedures, and safety standards at all times.
- Collaborate with other members of the healthcare team to ensure coordinated and effective patient care delivery.

Company needs

Hoedspruit Private Hospital is seeking compassionate and dedicated Enrolled Nurses to join our team. The ideal candidates will be enthusiastic individuals who are eager to contribute to the delivery of high-quality patient care. Your role as an Enrolled Nurse is essential in supporting the healthcare team and ensuring positive patient outcomes. We offer opportunities for growth and development in a supportive and dynamic healthcare environment.

VACANCY

Hoedspruit Private Hospital is an equal opportunity employer.

The Company's approved Employment Equity Plan and targets will be considered as part of the recruitment process aligned to the Company's Employment Equity strategy.

Interested candidates who meet the above criteria are requested to e-mail a detailed CV to careers@hphospital.co.za
